

Act of 1871

A thread by IET17

This is Long but it will end with a MEGA BOOM!

Promise!

With no constitutional authority to do so, Congress created a separate form of government for the District of Columbia, a ten-mile square parcel of land (see, Acts of the Forty-first Congress,” Section 34, Session III, chapters 61 and 62).

The act — passed when the country was weakened and financially depleted in the aftermath of the Civil War — was a strategic move by foreign interests (international bankers) who were intent upon gaining a stranglehold on the coffers and neck of America.

Congress cut a deal with the international bankers (specifically Rothschilds of London) to incur a DEBT to said bankers. Because the bankers were not about to lend money to a floundering nation without serious stipulations, they devised a way to get their foot in the door of the United States.

The Act of 1871 formed a corporation called THE UNITED STATES. The corporation, OWNED by foreign interests, moved in and shoved the original Constitution into a dustbin. With the Act of 1871, the organic Constitution was defaced — in effect vandalized and sabotage — when the title was capitalized and the word “for” was changed to “of” in the title.

THE CONSTITUTION OF THE UNITED STATES OF AMERICA is the constitution of the incorporated UNITED STATES OF AMERICA.

It operates in an economic capacity and has been used to fool the People into unknowingly becoming indentured and indebted to the new corporation, THE UNITED STATES, and that it governs the Republic. It does not!

Capitalization is NOT insignificant when one is referring to a legal document. This seemingly “minor” alteration has had a major impact on every subsequent generation of Americans.

<http://usavsus.info/>

<https://www.federaljack.com/slavery-by-consent-the-united-states-corporation/>

The TL; DR version is they, by military force, and illegitimate legislature, amended the constitution against the will of The People and legally tricked us into becoming unwitting indentured slaves of human capital and resources to THE UNITED STATES OF AMERICA (the corporation)

2. Republic vs Democracy

-They needed to get away from the Republic and create a Democracy in order to drive us towards socialism and inevitably a dictatorship (National Socialist Party aka NAZI)

Republic

"Libera Res Publica"
Free from Things Public

"I **pledge allegiance** to The United States of America, and **to the Republic** for which it stands, One nation under God"

DEMOCRACY

Emphasizes "Democracy" which is the next thing to "**Socialism**" which is another form of "**Communism**".

Did you say Communism?
Can't happen here? Check this out!

Communist Manifesto

"Democracy" (means "Priest rule")

"A democracy cannot exist as a permanent form of government. It can only exist until the voters discover that they can vote themselves generous gifts from the public treasury. From that moment on, the majority always votes for the candidates promising the most benefits from the public treasury with the result that a democracy always collapses over loose fiscal policy, always followed by a dictatorship. The average age of the world's greatest civilizations from the beginning of history, has been about 200 years. During those 200 years, these nations always progressed through the following sequence: from bondage to spiritual faith; from spiritual faith to great courage; from courage to liberty; from liberty to abundance; from abundance to selfishness; from selfishness to complacency; from complacency to apathy; from apathy to dependency; from dependency back again to bondage."

--Attributed to Scottish History Professor at University of Edinburgh
Sir Alexander Fraser Tytler (1747-1813) and others

"...often the most tyrannical government
on earth."

--Noah Webster

Those in power behind the scenes dress up their candidates for office, help them get elected, and then control them while in office. Supposedly giving you a choice when both major Political parties and other parties are controlled by them. Their controlled major media is used to control and direct public opinion. So, you wonder who is really in control--It's definitely not the people.

"Democracy is the road to socialism." --Karl Marx

Plato postulated “**Dictatorship** naturally arises out of democracy...”

3. Flag

-USA Military Flag

-USA Civil Flag

-THE USA Corporation Flag (Gold Fringe)

- Some say it is a flag of Admiralty/Maritime type jurisdiction and is not supposed to be used on Land. Others say it's not a flag at all, but fiction.

However, the gold fringe which surrounds the flag gives notice that the American flag has been captured and is now being used by the corporate so-called government to give notice of its jurisdiction.

- The flag shown above is Not described in Title 4 of USC and therefore is illegal on land except for maybe (1) the President since he is in charge of Naval Forces on high seas, and (2) naval offices and yards.

-The so-called justification for a Naval/Maritime flag to be on land is that all land was under the high water mark at one time even if it was eons ago. (Great Flood anyone???)

4. Governing Body

-We thought our 3 branches of government were for checks and balances... HA. WRONG.

In the Corporate Law check out how it really works:

Governing Body

The Free Inhabitants are a government body unto themselves.

Not forced to join a "state"

Not forced to be a citizen of any group.

Not forced to inhabit any territory.

Not forced to join the militia or military.

Not forced to pay un-requested services.

The Northwest territory and possessions were governed by three separate and distinct Branches or Departments equal to each other as to power and control of a segment of government while being on the same playing field laterally in position to each other.

- Legislature
(Constitution; Article I)
--can enact **positive law**
- Executive
(Constitution; Article II)
- Judicial
(Constitution; Article III)
--known as article III courts

The purpose of having three separate and distinct branches at the same level is for checks and balances so that no one man or branch of government has complete power.

The legislative Branch consists of the Senate and Congress.

The purpose of the Senate was originally designed to voice states rights while Congress voiced the peoples rights.

The Senators were chosen by the states and were not elected by the people.

Together, they can come to a conclusion that meets the rights, interests, and benefit of both the state and the people.

Separation of Powers

GOVERNING BODY

The President (a Caesar) rules by **Executive Order** (Unconstitutional)

Congress and the Courts are under the President.

Did you ever wonder why Congress is ignored by the President?

The President is the Chief Executive Officer (C.E.O.) of the government corporation. Impeachment today is nearly impossible, unless it is in the best interest of the controlling bankers and the one-world government elite.

Also, what most people do not realize is that most courts today are legislative courts and not Judicial.

The so-called (corporate) Congress sits by **resolution** not by positive law.

Therefore, the position of power is as follows:

1. President (C.E.O of the corporation sits as Caesar
--does not need congressional approval)
2. Legislature (The new Congress and Senate voices Public Opinion)
3. so-called Judicial (Legislative, Article I courts) opinionate what's best for the corporate so-called government and the elite
4. Non-existent Judicial (Article III courts) except for Special circumstances that benefit the elite

The top position has control over the second position and the second position has control over the last position vertically and not laterally.

There are no checks and balances unless the President is concerned with a potential revolution based on the outcry of its citizens.

Each **puppet** that comes into office wears a different costume but ends up serving the same master. (The **Masters** are the Elite and Bankers operating behind the scenes)

This type of scenario was even proven recently when the Supreme Court upheld DACA (an Obama Executive Order) because Trump “went about removing it the wrong way” aka all he has to do is issue an Executive Order to undo an Executive Order (Caesar).

While the decision gives DACA and its hundreds of thousands of recipients a lifeline, the issue is far from settled. The court decided that the way Trump went about canceling DACA was illegal, but all the justices seemed to agree that the president does have the authority to cancel the program if done properly.

5. Medium of Exchange

-Used to be Gold and Silver

-now we play with paper and digital money, that is basically a grandiose IOU created out of thin air, that the bankers collect back with interest, all designed to further the wealth disparity between the elite and The People. Debt with interest is a system of perpetual debt continually passed on to the people beneath until the debt gap consumes all but those who own the debt.

6. Sovereigns vs SUBJECTS

- Look at the name on Driver's Licenses, Social Security cards, Credit Cards, Deeds, Bank Accounts, etc.

>>name in ALL CAPS, isn't it?

-Your birth certificate has your footprint on it before it touches the land.

>>>you are thereby a corporate government asset before you even knew what happened, signed off by your mother (unknowingly yet knowingly) thereby getting past the universal law of "free will"

Sovereigns

Living Souls coming out of mother's womb onto the land of one of the several states of America are "Sovereign", "Freemen", "Free inhabitant", and "Freeborn" unless that right is given up knowingly, intentionally, and voluntarily upon full disclosure.

Amendment X

"The powers not delegated to the United States by the Constitution, ...are reserved to ...the people."

SUBJECTS

US citizens (Chattel Property) are belligerents in the field and are "*subject to its jurisdiction*" (Washington DC)

U.S. citizens are **14th Amendment citizens** implemented by the Civil Rights Act of 1866 originally established for the newly freed slaves.

That is to say: "Now slaves of the corporate government plantation"

AMENDMENT XIV

All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the state wherein they reside. No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

We "freed slaves" by making "everyone (unwitting) debt slaves to the Corporation" by claiming we are all CITIZENS instead of SOVEREIGNS in the 14th Amendment

and becomes a slave or an item of inventory.

--Blacks Law Dictionary, Revised 4th Edition 1968

John C. Doe

Note: middle initial

(No name at all--A fiction)

First Name: JOHN

Middle Initial: C.

Last Name: DOE

Today, almost all mothers, black or white, unknowingly inform on their own babies. Take a look at the so-called "Birth Certificate" CERTIFICATE OF LIVE BIRTH where the mother signs and you will see the title of the box stating in small print:

"MOTHER OR OTHER INFORMANT".

The word "OTHER" makes **the mother "an informant."** By signing the "Birth Certificate" as an informer, she contracts with the government putting her child and her child's future labor as collateral for the national debt (servitude--slavery). The father or mother can rescind the contract within three business days (Truth-in-Lending).

Since the Birth Certificate neither lists the father as the husband nor lists the wife's acceptance of the father's surname as her own but has the mother's maiden name instead, the baby is considered a **BASTARD**. Bastards are therefore under the care and control of the Priest Rule (democracy) and can be taken from the mother at any time.

The **hospitals** receive a fairly large monetary benefit (\$3,000, more or less, per child) from the corporate government for having Birth Certificates filled out and signed.

7. Elector vs VOTER

- "Registering to vote" is an admission that the declarant is subject to the exclusive legislative power of the corporate Congress and is a 14th Amendment citizen residing in federal territory. Essentially, since you are voting in (their) elections then you are admitting, through registration and voting, that you do in fact belong to their system.

Elector	VOTER
<p>The "Electoral college of electors" are the ones that actually determine who will be President - not any popular vote, poll, media, or statistic.</p> <p>An Elector is <u>Not</u> subject to exclusive legislative power of Congress.</p> <p>Almost anyone can become an elector. Did not have to be a registered voter or a party member.</p> <p>Currently, there are 538 elector positions. It now takes 270 Electoral Votes to win the Presidential Election.</p>	<p>"Registering to vote" is an admission that the declarant is subject to the exclusive legislative power of the corporate Congress and is a 14th Amendment citizen residing in federal territory.</p> <p>"...the right to vote at any election... is denied... except for participation in rebellion, or other crime..." --Section 2 of the 14th Amendment, U.S. Constitution</p> <p>Rather than remaining a state national, one becomes a U.S. citizen participating in the rebellion by voting in the corporate government system and or signing up for benefits and privileges.</p> <p>"Stop and think for a moment as to voting. When you vote for an office to be filled in the UNITED STATES OF AMERICA or one of its SUB-CORPORATIONS (THE STATE OF TEXAS), you have voted to fill a fictional corporate position designed to represent the CORPORATION, not a political position to represent the people. All elections in the "United States" are nothing more than proxy fights in a board room!" --Ed: Brannum (Secretary of Privatization; Provisional Government; Republic of Texas)</p>

8. Justice System vs "JUST-US" SYSTEM

-it really is set up to benefit (them) and not us. He who has control of the money has control over the laws of the land and thus the control of its people--- and in our case all US CITIZENS (corporate assets/property). You can attempt to fight the system however it is DESIGNED so that you always lose and "they" always win.

Judges

(No black robes)

The judicial officer is actually a coordinator who sits in on behalf of the people, for the good of the people, who swears by full oath of office to abide by and uphold the Constitution, and is there to give presenters and counselors equal opportunity to present their case, with fairness and un bias to all, whether it is pertaining to a controversy or one suspected of a crime or injustice, to produce and provide an impartial and fair trial or suite in Law by bringing forth the facts and the law to be **judged by the people** who are peers.

The people are the ultimate "judges" of both the law and the facts.

The so-called judge, a corporate "**black-robe**" referee, **an actor** (acting judge), on a fictitious stage, sitting under a gold or yellow fringe flag, becomes the "captain" or "**master**" of that ship or enclave and has **absolute power** to make the rules at his whim as he goes; all the while talking to or about the fictitious PERSON.

The so-called judge will sometimes not allow all of the facts to be heard or the so-called law examined because of his bias or is following orders of the corporate so-called government who may even want to have the **case sealed** from the public.

If one does not conform to the judge's wishes, the judge, without proper cause, will send the non-conformist to a **psychiatric ward** for evaluation (intimidation) and sometimes left there to be **drugged** and not released until one is willing to conform to the judge's bias.

This has happened many times in the latter years and has been personally witnessed by Myself concerning friends.

"...the judiciary has usurped the law for its own purposes and replaced constitutional guarantees with a system in which judges rule by decree."--

Common Law Court

is a "**Court of Record**" that proceeds according to Common Law, keeps a record of the proceedings, has power to fine or imprison, and the tribunal is independent of the magistrate.
(May also have a seal)

These **so-called courts** are not "in law" but are simply acting on behalf of a corporate business enforcing it's contracts under the disguise of Equity Courts, Superior courts, Federal courts, District courts, Municipal Courts--Merchant Law, Military Law, Marshall Law, Summary Court Martial proceedings, and administrative **ad hock** tribunals (similar to Admiralty/Maritime) and appear to be governed by "The Manual of Courts Martial" (under Acts of War) and the "War Powers Act of 1933."

Lawful or Unlawful

Based on God's law, the common law, and any law that any prudent man will abide by under normal circumstances without giving up one's rights or infringing upon another's rights.

Legal or Illegal

All legal actions are pursued under the "**color of law**"

Color of law means "**appears to be**" law, but **is not**

"Because of what appears to be lawful commands on the surface, many Citizens, because of their respect for what **appears to be law**, are cunningly coerced into waiving their rights due to ignorance."

Jurors judge the law as well as the facts

Jurors are the last bastion of hope to free one from tyrannical or unjust laws imposed by government.

Jury nullification

"Jury nullification occurs when a jury returns a verdict of "not guilty" despite the common belief that the defendant is guilty of the violation charged. The jury in effect nullifies a law that it believes is immoral, unconstitutional or is wrongly applied to the defendant whose fate it is charged with deciding. Traditionally jurors are free to disregard the judge if they feel he is part of the system of oppression. Jury nullification is an essential protection for citizens against governmental tyranny." --John Tiffany; AmericanFreePress.net

The judge instructs the jurors to try *only the facts* (not the code, statute, et cetera).

The judge usually gives the statute, regulation, code, rule, etc. that will most likely convict the defendant.

If there is any dispute with the so-called law, the judge will declare

"I say what the law is".

If there is any more dispute with the law, the judge will say,

"I will hold you in contempt if you continue in this manner."

Marcella Brooks testimony on video before the National Press Club on November 3, 2006 (14 min 24 sec)

Crime

A crime is an offence against a public law. This word, in its most general signification, comprehends all offences but, in its limited sense, it is confined to **felony**.

1 Chitty, Gen. Pr. 14.

2. The term **misdemeanor** includes every offence inferior to felony, but punishable by indictment or by-particular prescribed proceedings.

3. The term **offence**, also, may be considered as, having the same meaning, but is usually, by itself, understood to be a crime not indictable but punishable, summarily, or by the forfeiture of, a penalty.

Burn's Just. Misdemeanor.

4. Crimes are defined and punished by statutes and by the common law. Most **common law** offences are as well known, and as precisely ascertained, as those which are defined by statutes; yet, from the difficulty of exactly defining and describing every act which ought to be punished, the vital and preserving principle has been adopted, that all immoral acts which tend to the prejudice of the community are punishable by courts of justice.

All crimes are considered

Commercial crimes.

"Any of the following types of crimes (Federal or State): Offenses against the revenue laws; **burglary**; counterfeiting; forgery; **kidnapping**; larceny; **robbery**; illegal sale or possession of deadly weapons; **prostitution** (including soliciting, procuring, pandering, white slaving, keeping house of ill fame, and like offenses); **extortion**; swindling and confidence games; and attempting to commit, conspiring to commit, or compounding any of the foregoing crimes.

Addiction to narcotic drugs and use of marihuana will be **treated as if such were commercial crime.**"

27 CFR Sec 72.11 (4-1-02 Edition)

"Poor people have access to the courts in the same sense that the Christians had access to the lions."-

Judge Earl Johnson, Jr.

"...there simply is too much law (government) to even function - we cannot get out of our own way, we have tied ourselves in knots - when we were supposed to have a limited government and the purpose of the Constitution was to tie government down to the EXPRESS powers given it. There simply is nothing left that government does not touch, have its hands on, and has not made a mess of. More law, more government will not save us - they are the problem." --from an article

Lawful determination
Judicial determination

"The people's one supreme Court is the county Court of record; the highest Court in the Land. Once it rules, the United States Supreme Courts, Federal or State, can not question the ruling; read the 7th amendment. The State and federal Courts are inferior tribunals to We the People's one supreme Court. The one supreme Court exist wherever the People convene it! ...the People have agreed to convene it at the county seat and the county judge is elect[ed] by the people as the administrator of their one supreme Court of Record. He makes no judicial ruling. He is only there to keep the Court open and see that it is run orderly and enforce the judgments of the Court of the People. When the jury is called and has been sworn from among the People they are the twelve justices sitting as the one supreme Court of Record for the People of that county."

Thomas Jefferson worried about that the Courts would overstep their authority and instead of interpreting the law would begin making law, an oligarchy, the rule of few over many.

The very first Supreme Court Justice, John Jay, said, "Americans should select and prefer Christians as their rulers."

Legal determination

"THERE IS NO LAWYER OR JUDGE THAT CAN OR WILL GO AGAINST THIS COLORABLE SYSTEM!!"

"Under this system, the judge makes "legal determinations" which is in accord with the creditors of this country. No Lawyer (Ly'Er) will demand a "JUDICIAL DETERMINATION". Legal Determinations ARE NOT appealable as are Judicial Determinations!! Legal determinations are anything the judge says they are under their colorable Public policy laws. However, Judicial determinations are in accordance with the Public Law and are subject to CONstitutional constraints."

"Since the [Erie RR v. Tompkins](#) decision in 1938, the courts have been operating under Public Policy, in the interest of the "nations creditors," instead of Public Law in accord with the CONstitution."

"The judges are not allowed to consider any case law prior to 1938! BUT, there is one case, [Clearfield Trust, et al v. US, 318 US 363 \(1943\)](#), (see attachment). All courts are Administrative Tribunals, operating under a Colorable Admiralty Jurisdiction called Statutory Jurisdiction and all judges are Administrators, and all Lawyers (Pronounced Ly'Er) are officers of the colorable courts."

"The whole judiciary is administering the Bankruptcy of the US, declared by Roosevelt in 1933!!..."

--2004 Billy-Joe..Mauldin

Everyone is responsible for their actions and words spoken.

It does not matter what position or title one has in life.

The deck is stacked against the ordinary people and even the innocent.

- More and more prisons today are privately owned and run as a profit-making commercial enterprise creating products and services for sale. It is believed that many judges hold stock or an interest in these privatized prisons. These commercially run prisons do not have the best interest of the Inmates or Staff in mind but the bottom line--PROFIT. They need a continuous supply of low-cost labor (slaves) to produce products in order to increase profits. Even when the crime rate is down, these privateers lobby the appropriate governmental and judicial authorities to increase the incarceration rate in order to add to their already substantial profit taking. There are no checks and balances for monitoring this type of system.

To name a few **privateers**:

- Corrections Corporation of America (CCA)--founded in 1983, based in Nashville, Tennessee, now operates more than 77 facilities across the USA
- Wackenhut Services, Inc. of Florida
- Wackenhut Corrections Corp.(WCC)-- misappropriated over \$700,000 of funds in Texas, which were allocated by that state for drug rehabilitation programs. Directors consists of former members of the FBI and CIA.
- Becon-Wackenhut Inc. of Florida
- U.S. Corrections Corporation, a private company headquartered in Louisville, Kentucky--since 1986
- Rehabilitative Industries & Diversified Enterprises Inc. (PRIDE), a firm based in Clearwater, Florida, now manages all 53 Florida prison work programs as a for profit operation. PRIDE has made a \$4 million profit in one year. Many states considering privatization of prison industries are studying the PRIDE operation. PRIDE products range from optical and dental items to modular office systems.
- Pricor Corporation
- American Correctional Systems, Inc.
- Corrections Development Corporation
- Buckingham Security Ltd.
- Cornell Corrections--currently has contracts to operate 81 facilities in 17 states and the District of Columbia
- Correctional Services Corp.(CSC)
- **UNICOR**--a federal government-owned corporation established by the Franklin D. Roosevelt administration in 1934 otherwise known as "**Federal Prison Industries.**" UNICOR maintains factories in every Federal Prison in the country. Nationwide sales of "PRISON PRODUCED PRODUCTS" in year 2000 was 8.9 billion dollars. Some products produced are; office furniture, high tech military cable and wiring systems, mattress and box springs, camouflage military uniforms, sheets, towels, pillow cases, brooms, mops, et cetera. UNICOR has now partnered with Spire, an American solar company, to manufacture photovoltaic modules and systems.

10. Guarantees vs "quarantines"

-your rights, your land, your things, your money, they belong to the corporation and they will take them and do whatever they want with them through the legal processes they illegally set up through the Constitution of the Corporation. You can fight but you WILL lose. It is designed that way.

Amendment V

"...nor be deprived of life, liberty, or property, without **due process of law**; nor shall private property be taken for public use, without **just compensation**."

"Man can live and satisfy his wants only by ceaseless labor; by the ceaseless application of his faculties to natural resources. This process is the origin of property. But it is also true that a man may live and satisfy his wants by seizing and consuming the products of the labor of others. This process is the origin of plunder." "...the proper purpose of law is to use the power of its collective force to stop this fatal tendency to plunder instead of work. All the measures of the law should protect property and punish plunder."

"Thus it is easy to understand how law, instead of checking injustice, becomes the invincible weapon of injustice. It is easy to understand why the law is used by the legislator to destroy in varying degrees among the rest of the people, their personal independence by slavery, their liberty by oppression, and their property by plunder. This is done for the benefit of the person who makes the law, and in proportion to the power he holds."

--1848 "THE LAW" by Claude Frederic Bastiat, a French economist, statesman, author, and philosopher.

Property is constantly, currently, and consistently being taken for alleged taxes without due process and without just compensation.

Land and property is now being taken by EMINENT DOMAIN for purposes not originally intended.

All kinds of fees and penalties are being extorted from the people for so-called laws. The people can no longer win in court against the corporate government system. If one tries, one may be held "in contempt of court" and fined

The Senate examined exactly what powers they had granted the President by amending the Trading With the Enemy Act on March 9, 1933, they concluded that: "Under these powers the president may: seize property; organize and control the means of production; seize commodities; assign military forces abroad; institute **martial law** [actually: **Martial Rule**]; seize and control all transportation and communication; regulate the operation of private industry; restrict travel, and in a plethora of particular ways, control the lives of all American citizens."

--Senate Report 93-549.

Amendment VI

"In all criminal prosecutions, the accused shall enjoy the right to a **speedy and public trial**, by an **impartial jury**..., and to be informed of the **nature and cause** of the accusation; to be **confronted with the witnesses** against him; to have compulsory process for obtaining witnesses in his favor, and to have the **assistance of counsel** for his defense."
(does not say "attorney")

Government may jail Americans indefinitely without a trial. --Patriot Act

So-called Government may monitor federal prison jailhouse conversations between attorneys and clients, and deny counsel to Americans accused of crimes.

Fascism police-state tactics and methods, similar to Nazi Germany

"The privileges and immunities clause of the Fourteenth Amendment protects very few rights because it neither incorporates any of the Bill of Rights nor protects all rights of individual citizens. See Slaughter-House Cases, 83 U.S. (16 Wall.) 36, 21 L.Ed. 394 (1873). Instead, this provision protects only those rights peculiar to being a citizen of the federal government; it does not protect those rights which relate to state citizenship."

--Jones v. Temmer, 829 Fed. Supp. 1226 (1993)

11. States vs STATES

- All state governments today are corporations, not sovereign states.
- Only corporations are required to pay sales tax as entities of the corporate government.
- They got the CITIZENS to volunteer to pay up front sales tax on their behalf. Thanks Democrats!

States	STATES
<p>"state" when used by itself refers to the "Republics" of The <u>n</u>ited <u>s</u>tates of America</p>	<p>In U.S. Titles and Codes "<u>S</u>tate" refers to U.S. <u>p</u>ossessions such as Puerto Rico, Guam, etc.</p>
<p>All of the states are "Republics"</p> <p>e.g. "California republic" "California state" or just "California" abbreviated "Calif."</p> <p>Each state is a sovereign nation unto itself; free and independent</p>	<p>All States are corporations incorporated with the federal corporation</p> <p>e.g. "State of California" corporate California California State STATE OF CALIFORNIA CA</p>

Indirect tax verses Direct

In some states, an indirect tax is implemented on certain specific items. Other states may not have any indirect tax, while others may have an indirect tax on all items sold by corporations. Although "**direct taxes**" are unconstitutional, "**indirect taxes**" are acceptable. A man or woman still has a choice to pay the tax or not. For example: Do not buy cigarettes if you do not want to pay the indirect tax. a "**direct tax**" is appropriate only by means of apportionment under certain circumstances.

Sales Tax and Sales Permit

Only corporations are required to pay sales tax. The sales tax is what corporations are required to pay as creatures of the corporate government. But they got ordinary people volunteering to pay up front sales tax on their behalf directly. They also got other companies to collect sales tax up front as well by making a "Sales Permit" mandatory to enter corporate trade shows. A "Sales Permit" is a license and makes one obligated to collect taxes and to turn them over to the corporate government. Out of ignorance, most companies volunteer to obtain a license even though it is voluntary. Most government people enforcing Sales licenses assume every company is required to collect sales tax. That is what the majority believes.

12. Taxation

- Taxation is theft
- Income Tax is unlawful
- Inheritance Tax is unlawful
- BUT all are legal and limitless under the Laws of the Corporation

Taxation	TAXATION
Limits on taxation	<u>No limit</u> on taxation
<u>Direct</u> taxes such as " Income taxes " are <u>unlawful</u>	Income taxes are legal when properly applied and are ever increasing.
<u>Indirect</u> taxes such as excise tax and import duties are <u>lawful</u>	Other taxation's such as inheritance taxes are legal when properly applied.

13. debt vs DEBT

- When a government goes bankrupt it loses its sovereignty (important to remember later)
- First bankruptcy was after the Civil War- enter Act of 1871
- Second Bankruptcy was in 1933- Roosevelt
- Members of Congress are the official Trustees in the bankruptcy

14. Unalienable Rights vs Inalienable Rights

-By changing one word in the State's constitutions we went from God given rights to Government given privileges.

- "Government Privileges/Benefits":

- Social Security
- Medicare
- Medicaid
- Grants
- Disaster relief
- Food Stamps
- Licenses and Registration (**Permission**)
- Privileges only, no Rights
- Experimentation on citizens without their consent.

Inherent rights

present at birth
but not necessarily hereditary

Unalienable rights

Rights from God
that are not lienable.

Inalienable rights

Rights from the corporate government that can be liened against or taken away at any time. Very much like a '**privilege**'.

Unalienable vs Inalienable

AMERICA'S FOUNDING DOCUMENTS

Declaration of Independence: A Transcription

Notes: The following text is a transcription of the Stone Engraving of the parchment Declaration of Independence. The document on display at the National Archives Museum is the original parchment document.

In Congress, July 4, 1776.

The unanimous Declaration of the thirteen united States of America, When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

That we hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain **unalienable Rights**, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed,—That whenever any Form of Government becomes destructive of these ends, it is the right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—Such has been the patient sufferance of these Colonies, and such is now the necessity which constrains them to alter their former System of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

Thomas Jefferson wrote, and the 56 signers of the Declaration of Independence assented, that we are:

“endowed by our Creator with certain UNALIENABLE Rights...Life, Liberty, and the Pursuit of Happiness.”

UNalienable differs from INalienable, though some have wrongly accused Jefferson of ‘misspelling’ a U for an I. Not so. READ THE TRANSCRIPT!

Unalienable rights are natural and can NEVER be infringed upon. Inalienable rights can be surrendered, but ONLY with CONSENT.

POTUS TRUMP has fought for the UNALIENABLE Right to LIFE, as embodied in the Declaration, as no other POTUS in History. Other Unalienable Rights are now protected by establishing the Commission on Unalienable Rights, under the Department of State.

“Unalienable: incapable of being alienated, that is, sold and transferred.” *Black’s Law Dictionary, Sixth Edition, page 1523:*

You can not surrender, sell or transfer unalienable rights, they are a gift from the creator to the individual and can not under any circumstances be surrendered or taken. All individual’s have unalienable rights.

Inalienable rights: Rights which are not capable of being surrendered or transferred without the consent of the one possessing such rights. *Merrison v. State, Mo. App., 252 S.W.2d 97, 101.*

You can surrender, sell or transfer inalienable rights if you consent either actually or constructively. Inalienable rights are not inherent in man and can be alienated by government. Persons have inalienable rights. Most state constitutions recognize only inalienable rights.

WASHINGTON, D.C., January 24, 2020 (LifeSiteNews) — Below is the text of President Donald Trump’s address to the 2020 March for Life. This is the first time any U.S. president has attended the march, which is the largest annual human rights demonstration in the world.

REMARKS BY PRESIDENT DONALD TRUMP AT 2020 MARCH FOR LIFE

Thank you very much and thank you, Janine. It is my profound honor to be the first president in history to attend the March for Life. [applause] We are here for a very simple reason: to defend the right of every child, born and unborn, to fulfill their God-given potential. [applause]

For 47 years, Americans of all backgrounds have traveled from across the country to stand for life.

And today as President of the United States, I am truly proud to stand with you. [applause]

This year, the March for Life is celebrating the 50th anniversary of the 19th amendment, which forever enshrined women’s rights to vote in the United States and given by the United States constitution. Such a big event. Today, millions of extraordinary women across America are using the power of their votes to fight for the rights and all of their rights as given in the Declaration of Independence — **“ALL MEN ARE CREATED EQUAL.”**

To all the women here today, your devotion and your leadership uplifts our entire nation and we thank you for that. The tens of thousands of Americans gathered today are only stand for life. It’s really here that they stand for it so proudly together. And I want to thank everybody for that. You stand for life each and every day. You provide housing, education, job, and medical care to the women that you serve. You find loving families for children in need of a forever home. You help babies discover the joys of motherhood. You make — you just make it your life’s mission to help spread God’s grace.

And to all the men here today, we celebrate you and we declare that mothers are heroes. [applause] Your strength, devotion, and drive to what passes our nation. Because of you, our country has been blessed with amazing souls who have changed the course of human history.

We cannot know what our nation yet achieve will achieve. The dreams they will imagine. The milestones they will create. The discoveries they will make. But we know this: **“Every child brings joy to a family. Every person is worthy of love.”**

And above all, we know that every human soul is divine and every human life, born and unborn, is made in the holy image of Almighty God. [applause]

Together, we will defend this truth all across our magnificent land. We will not fail the dreams of our people. And with determined hope, we look forward to all of the blessings that will come from the beauty, talent, purpose, nobility, and grace of every American child.

I want to thank you. This is a very special moment. It’s so great to represent you. I love you all. [applause] And I say with a true passion, thank you, God bless you, and God bless America. Thank you all. Thank you. [applause]

Secretary Pompeo

To help protect unalienable rights in a world often bent on violating them, I launched the Commission on Unalienable Rights in May. I’m confident it will help me better advance America’s ideals and interests around the world.

Secretary of State Mike Pompeo Remarks to the Press - United States Department of State

On July 8, 2019, Secretary of State Mike Pompeo announced the formation of a Commission on Unalienable Rights. The commission consisted of justices, philosophers, policymakers, and scholars. The Secretary will address human rights globally for our nation’s founding principles and the principles of the 1789 original Declaration of the Rights of Man.

“The commission’s mission,” Sec of State Pompeo explained in a Wall Street Journal op-ed, “isn’t to discover new principles but to ground our discussion of human rights in America’s founding principles.”

15. Records

- birth certificate
- death certificate
- marriage license
- Miscegenation records

>>>all held as records by the County Clerk Office to keep track of the corporate government’s holdings which are applied as collateral to the increasing debt.

Records	RECORDS
<p style="text-align: center;"><i>Ex-officio</i> clerks</p> <p style="text-align: center;">County Clerk is also Clerk of the superior court, (i.e. a court of common law) and "courts of record"</p> <p style="text-align: center;">Records are also kept by Sovereigns such as in a family Bible</p> <p style="text-align: center;">Churches, in the old days were also known to keep records.</p>	<p style="text-align: center;">County Clerk</p> <p style="text-align: center;">Recorders Office</p> <p>Created by statute to keep track of the corporate government's holdings which are applied as collateral to the increasing debt. The written records are a continuation of the "Doomsday Book" which keeps track of the Crown of England's holdings. The "Doomsday Book" originated as a written record of the conquered holdings of king William, which was later the basis of his taxes and grants.</p> <p>Whenever something is registered it is actually being put into the kings domain. The word "registered" is derived from the word "regis" which means "kingly." Therefore, recording a document today is the same as registering it and putting it into the kings domain.</p> <p>Property recorded or registered at the recorders office makes the corporate de facto government "holders in due course." Anything registered can be taken away at any time; that includes cars, guns, and your home.</p> <p>Your TV is <u>not</u> recorded there, therefore you are "holder in due course" for the TV.</p>

16. Free Enterprise vs Corporatism (USMCA)

-The thing created (the corporation) becomes more powerful than the creator (man) who created it. Man is no longer free but is subservient (a slave) to the corporate structure. The corporate structure needs to reduce the wages of its human resources to decrease cost to increase profit to keep growing.

-Corporations eat each other and grow bigger and more powerful thereby allowing fewer persons having big egos controlling the lives of the common folk from cradle to grave.

Free Enterprise	CORPORATISM
<p>The people engage in free enterprise by trading ones labor for another's labor.</p> <p>There is no filing, registering, or obtaining permission or licensing from any government structure.</p> <p>The people are responsible for themselves and each other.</p> <p>The people do not rely on insurance to overcome irresponsibility and capriciousness.</p>	<p>Composed of, encourages, and creates a corporate structure of corporations and big businesses that use people as human resources to further its goal to grow and expand and become more powerful thereby eliminating competition and becoming more controlling.</p> <p>The thing created (the corporation) becomes more powerful than the creator (man) who created it. Man is no longer free but is subservient (a slave) to the corporate structure. The corporate structure needs to reduce the wages of its human resources to decrease cost to increase profit to keep growing.</p> <p>Corporations eat each other and grow bigger and more powerful thereby allowing fewer persons having big egos controlling the lives of the common folk from cradle to grave.</p> <p>Corporations have no feelings. Corporations primary purpose is to grow and are thereby less responsible and less sympathetic towards the people, thereby rely on and utilize insurance or other resources such as the corporate government to bail themselves out of irresponsible critical situations.</p> <p>Most often, people start with a free enterprise but choose to be incorporated into the government structural system. To incorporate is to become a part of something bigger. Therefore, corporations are creatures created by the so-called government and are no longer a free enterprise. Corporations become big uncontrollable monsters who eventually control government by putting their people into office to maintain control. These monsters got out of their cages when they made fictions such as corporations equal with people by calling them "persons" having the rights equal to people. Most corporations eat each other up and become huge monsters, thereby creating monopolies that stifle "capitalism" in its true meaning. Corporations do not want competition. They want to eliminate competition using their power and politicians they purchased. They want to capture the system and use it for their benefit.</p>

17. Schools vs Human Resource Development

-Public Schools are actually government schools paid for by forced taxation whether they want it or not.

-Teaches blind obedience to the central STATE.

-Similar to Nazi Germany.

Schools	Human Resource DEVELOPMENT
<i>Enroll</i> your child "sign up," "join"	<i>Register</i> your child "put into inventory"

Public Schools

are actually government schools
paid for by forced taxation
whether they want it or not.

Teaches blind obedience

Similar to Nazi Germany.

"Give me a child
and I'll **shape him into anything.**"

— B. F. Skinner, Jewish psychologist and pioneer of behaviorism

"..modern methods of propaganda."

"The populace will not be allowed to know
how its convictions were generated.

When the technique has been perfected, every
government that has been in charge of education for a
generation will be able to **control its subjects**
securely without the need of armies or policemen..."

-- Bertrand Russell, "The Impact of Science on Society"

"...in the communist ideology ... education is tied
directly to jobs — control of the job being the
critical control point in an authoritarian state."

--Eugene Maxwell Boyce, Professor of Educational Administration at
the University of Georgia, *The Coming Revolution in Education*,

1983.

Private Schools

Colleges and universities were originally privately owned and run by religious groups

Usually opened and closed with prayer to God

Colleges and universities changed over to government control through grants and other privileges such as accreditation.

18. GUNS

-In order to fully take over the US they will eventually have to take our guns because as it stands now, the largest standing military in the world BY FAR is the US Militia (populace who own guns) along with the world's largest stockpile of weapons and ammunition.

Guns	GUNS
<p>Sovereigns have a right to own and use guns- -"Right to bear arms" against "enemies foreign and domestic".</p> <p>The founding fathers knew the importance of protecting themselves from governments who get out of hand.</p> <p>"Guns in the hands of good people is a good defense." --Jack; Slevkoff 2012</p>	<p>This government wants to disarm the Citizens so as to have complete control and power. Every tyrannical government in the past has taken away the guns to prevent any serious opposition or rebellion. History continues to repeat itself because the new generations who come along don't know or tend to forget about the past and will say it will not happen here.</p> <div data-bbox="964 982 1273 1066" style="border: 1px solid black; padding: 5px; text-align: center;"> <p>Guns Australia</p> </div>
<p>2nd Amendment</p> <p>"...the right of the people to keep and bear arms, shall not be infringed."</p>	<p>Disregards the 2nd Amendment or justifies what weapons should not be legal. Ever changing and ever restrictive.</p>

19. Militia vs Military

-(they) used our People, who were sovereigns, and their desire to protect America as justification to form and use the US Military as a tool to destroy other dissenting sovereign nations/cultures

Militia	MILITARY
<p>Amendment II</p> <p>A well regulated militia being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed.</p>	<p>"Military men are just dumb stupid animals to be used as pawns in foreign policy."</p>

20. Faith and Worship vs RELIGION

-Peep this, tax exemption is their permission from the government to exist

PROOF- is the government telling churches they have to close during Coronavirus despite it being a FIRST AMENDMENT right NOT requiring permission from the government to exist or operate.

Faith and Worship	RELIGION
<p>Churches exist alone. No permission of government required.</p>  <p>1st Amendment Protects against government making a law that would respect an establishment of religion or prohibit the free exercise of ones belief.</p> <p>The French and other romance languages get their word for church from the Greek word "ekklesia," meaning "called out" referring to all those, living or dead, who have accepted what Jesus, The Christ, has offered.</p> <p>"I do not go to a specific church but am just one member of The Church." --Jack; Slevkoff 1986</p>	<p>This government wants to control religious institutions by having them come under their jurisdiction as corporations under Section 501(c)(3). under Title 26 of the Internal Revenue Code (U.S. Code) This is to prevent the clergy, Pastors, Ministers, etc. from having any political influence on its members or the public in general. This government regulates what is to be said and not to be said.</p> <p>These churches also display the gold fringe flag. Their faith is in the government and not in God. They exist by permission of this government not</p>  <p>by God alone. They signed away their Birthright for a so-called benefit: "Tax-exempt corporation."</p> <p>More info</p>

You think it stops there?

This wasn't just for the United States of America

They subsequently went on to do the same to almost every sovereign nation

>>implement war

>>bankrupt whatever nation they want

>>implement corporatization of their government to ensure payback of debt

>>add interest

>>perpetually in debt and enslave the world

Q: Who controls [wields significant influence] re: the 'Clinton' [D] party?

A: Based on WL emails it's George Soros

Q: Who controls [wields significant influence] re: the 'Hussein' [D] party?

A: Based on next Q drop it's Prince Al-Waleed bin Talal.

IT WOULD APPEAR that Soros's and Al-Waleed's jobs were to come in and destabilize, and use their media and political assets to bring "democracy" to these countries aka take them over and enslave their citizens into oppression. How many countries have they done this to? Is the objective then to establish central banks ? Corporate constitutions ? If so, then there's the connection to the Rothschilds. Remember they took the US debt after the Civil War then later implemented the Federal Reserve. In the year 2000 there were 7 countries without a Rothschild owned or controlled Central Bank: Afghanistan, Iraq, Sudan, Libya, Cuba, North Korea, Iran. But things had changed by 2003, when after "wars and destruction" based upon "terrorist groups" and "evil dictators", The only countries left in 2003 without a Central Bank owned or controlled by the Rothschild Family were: Sudan, Libya, Cuba, North Korea, Iran. Terrorist groups like ISIS/Al-Qaeda/Taliban/Hezbollah/Antifa etc come in and start "war". US military is then used as a proxy to go "save the day". Together they destroy as much as possible and get the citizens of these respective countries to either flee or submit to a new "protective and Democracy based" government with a propaganda based media arm to brainwash the citizens. NWO. Rinse repeat.

Our movement is about replacing a failed and corrupt political establishment with a new government controlled by you, the American People.

The Washington establishment, and the financial and media corporations that fund it, exist for only one reason: to protect and enrich [themselves]. The establishment has trillions of dollars at stake in this election.

For those who control the levers of power in Washington, and for the global special interests they partner with – these people that don't have your good in mind – our campaign represents a truly-existential threat, like they haven't seen before.

This is not simply another four-year election. This is a crossroads in the history of our civilization that will determine whether or not We the People reclaim control over our government.

The political establishment that is trying to stop us is the same group responsible for our disastrous trade deals, massive illegal immigration, and economic and foreign policies that have bled our country dry. The political establishment has brought about the destruction of our factories and our jobs as they flee to Mexico, China, and other countries all around the world.

It's a global power structure that's responsible for the economic decisions that have robbed our working class, stripped our country of its wealth, and put that money into the pockets of a handful of large corporations and political entities.

This is a struggle for the survival of our nation. And this will be our last chance to save it. This election will determine whether we are a free nation or whether we have only the illusion of democracy, but are in fact controlled by a small handful of global special interests rigging the system. And our system is rigged.

This is reality. You know it. They know it. I know it, and pretty much the whole world knows it. The Clinton Machine is at the center of this power structure. We've seen this firsthand in the WikiLeaks documents, in which Hillary Clinton meets in secret with international banks to plot the destruction of U.S. sovereignty in order to enrich these global financial powers, her special-interest friends, and her donors. Honestly, she should be locked up!

The most powerful weapon deployed by the Clintons is the **corporate media**, the press. Let's be clear on one thing: the **corporate media** in our country is no longer involved in journalism. They are a political special interest, no different than any lobbyist or other financial entity with a total political agenda, and the agenda is **not for you. It's for themselves.**

Anyone who challenges their control is deemed a sexist, a racist, a xenophobe. They will lie, lie, lie and then again, they will do worse than that. They will do whatever is necessary.

The Clintons are criminals. Remember that. This is well-documented and the establishment that protects them has engaged in a massive cover-up of wide pread criminal activity at the State Department and the Clinton Foundation in order to keep the Clintons in power.

They knew they would throw every lie they could at me and my family, and my loved ones. They knew they would stop at nothing to try to stop me. Nevertheless, I take all of the slings and arrows gladly for you. I take them for our movement so that we can have our Country back. **I knew this day would arrive. It's only question was when. And I knew the American People would rise above it and vote for the**

The only thing that can stop this corrupt machine is you. The only force strong enough to save our country is us. The only people brave enough to vote out this corrupt establishment is you, the American people. Our great civilization has come upon a moment of reckoning.

I didn't need to do this folks, believe me. I built a great company, and I had a wonderful life. I could have enjoyed the fruits and benefit of years of successful business deals and businesses for myself and my family instead of going through this absolute horror show of lies, deception and malicious attacks. Who would have thought?

I am doing it because this country has given me so much. And I feel so strongly that it's my turn to give back to the Country that I love. I'm doing this for the people and for the movement. We will take back this country for you, and we will make America great again.

KNOWING WHAT YOU JUST READ ABOUT CORPORATE AMERICA (globally too)
WHO AND WHAT DO YOU THINK HE'S TALKING ABOUT?????????

Actions speak louder than words so let's analyze everything DJT has done during his presidency
over the last 3.5 years:

Trump seemed to already know about this system and allowed the Supreme Court to try the
DACA case just so he could provide precedent and so he can prove to the Dems that there's
NOTHING THAT CAN STOP WHAT'S COMING.

August 11, 2020 at 4:00 a.m. MDT

Over the weekend, President Trump [issued four executive orders](#), asserting power to defer payroll taxes and provide expanded unemployment benefits, among other things, all without going to Congress. These actions are alarming enough: They effectively seek an end-run around Congress’s [“power of the purse,”](#) which enables the legislature to dictate what taxing and spending the executive branch may pursue.

But Trump has threatened to go even further. He told Fox News last month that the Supreme Court gave him “powers that nobody thought the president had.” Trump appears to believe that the Supreme Court’s decision in June barring him from rescinding the Obama administration’s Deferred Action for Childhood Arrivals immigration program gives him the unilateral authority to suspend federal payroll taxes altogether, or cancel Obamacare coverage requirements, legal limits on immigration policy and any other laws he dislikes.

-The Trump administration renewed its push for school choice on Thursday with a proposal to provide \$5 billion a year in federal tax credits for donations made to groups offering scholarships for private schools, apprenticeships and other educational programs.

Education Secretary Betsy DeVos unveiled the plan as a “bold proposal” to give students more choices without diverting money from public schools.

“What’s missing in education today is at the core of what makes America truly great: freedom,” DeVos said. “Kids should be free to learn where and how it works for them.”

The White House on Monday released its first stand-alone [proposal](#) for higher-education reform, urging the U.S. Congress to enact laws affecting accreditation, Pell Grants, and student-loan repayment.

The plan repeats themes raised in President Trump's 2020 federal budget proposal and reflects division between Democrats and Republicans over the federal government's role in regulating the forces that shape colleges and the for-profit sector.

Trump's budget proposal for 2020, released last week, [includes](#) a \$7-billion cut in the U.S. Department of Education, a changed student-loan repayment process, and the elimination of the Public Service Loan Forgiveness program.

The last century has produced an American economy where more jobs than ever before require at least some postsecondary education or skill development. Wage premiums and job security continue to be associated with postsecondary education or skills attainment; however, the rising cost of college education and the accompanying growth in student loan balances erode the wage premium associated with a college degree.

President Wants to Use Executive Order to End Birthright Citizenship
14th amendment

<https://www.nytimes.com/2018/10/30/us/politics/trump-birthright-citizenship.html#click=https://t.co/aeIuRucyII>

Through the system of birthright citizenship many people become citizens by just coming across the border and having a baby in the US. Fun little loophole. Voting Numbers, Representatives, and Demographics change when this happens.

Well national parks and monuments are land that is owned by the federal government. In this case, the corporation of the United States. Obama designated whatever he wanted as national monuments and Trump said it was a wild abuse of power. Why. Bc if the federal government is operated out of DC and its assets now include America's land then they can sell those lands to other countries. Corporate law.

Obama then gave eminent domain to China <https://rense.com/general85/chinainc.htm>
This is a big problem as you can see now. China has now completely infiltrated America's schools, businesses, manufacturing, land, and real estate.

Part of that executive order of trump wanting a review of the national monument designation and everyone thought trump was trying to get rid of national parks, he was really saving them from being sold off through the corporation.

<https://www.usatoday.com/story/news/politics/2017/04/26/trump-executive-order-could-rescind-national-monuments/100914086/>

He also signed an Executive Order in regards to China on 7/14/2020

<https://www.whitehouse.gov/presidential-actions/presidents-executive-order-hong-kong-normalization/>

That basically says, If you have any relationship, any connection, directly or indirectly, in business, in real estate, in land, in anything, to anyone in the CCP then the US just blocked your assets. We will be taking back what's ours now. Can't have a sovereign nation with other countries owning your country's assets.

The US Postal Service is crucial in gaining back our sovereignty and here we are strategically placed to not only potentially bust them for allowing, unwitting or wittingly, voter fraud, whilst also getting office locations to close. They're running out of money.... Gee.. I wonder why that is?

With the coronavirus pandemic threatening the Postal Service's financial viability, a rescue for America's favorite agency has become a political battle.

The corporate government created in 1871 **will continue to exist as long as:**

1. "state of war" or "emergency" exists (War on Drugs, War on Poverty, War on Terrorism, War on Iraq, etc.),
2. the President does not terminate "martial" or "emergency" powers by Executive Order or decree, or
3. **the people** do not resist submission and terminate by restoring lawful civil courts, processes and procedures under authority of the "inherent political powers" of the people.

New Dollar Backed by Gold Coming This October (2020)?

https://www.theepochtimes.com/new-dollar-backed-by-gold-coming-this-october_3435864.html

Unironically AGAIN, COVID caused financial crises allowing DJT to absorb the Federal Reserve, in March 2020, into the US Dept of Treasury for the purpose of being able to protect the public and private economy from fall-out. This man, DJT, is SOOO SMART.

Meet your New Fed Chairman, Donald J. Trump

Everyone should read this article, it explains how we were able to absorb the Fed and what it means going forward.

<https://www.bloomberg.com/opinion/articles/2020-03-27/federal-reserve-s-financial-cure-risks-being-worse-than-disease>

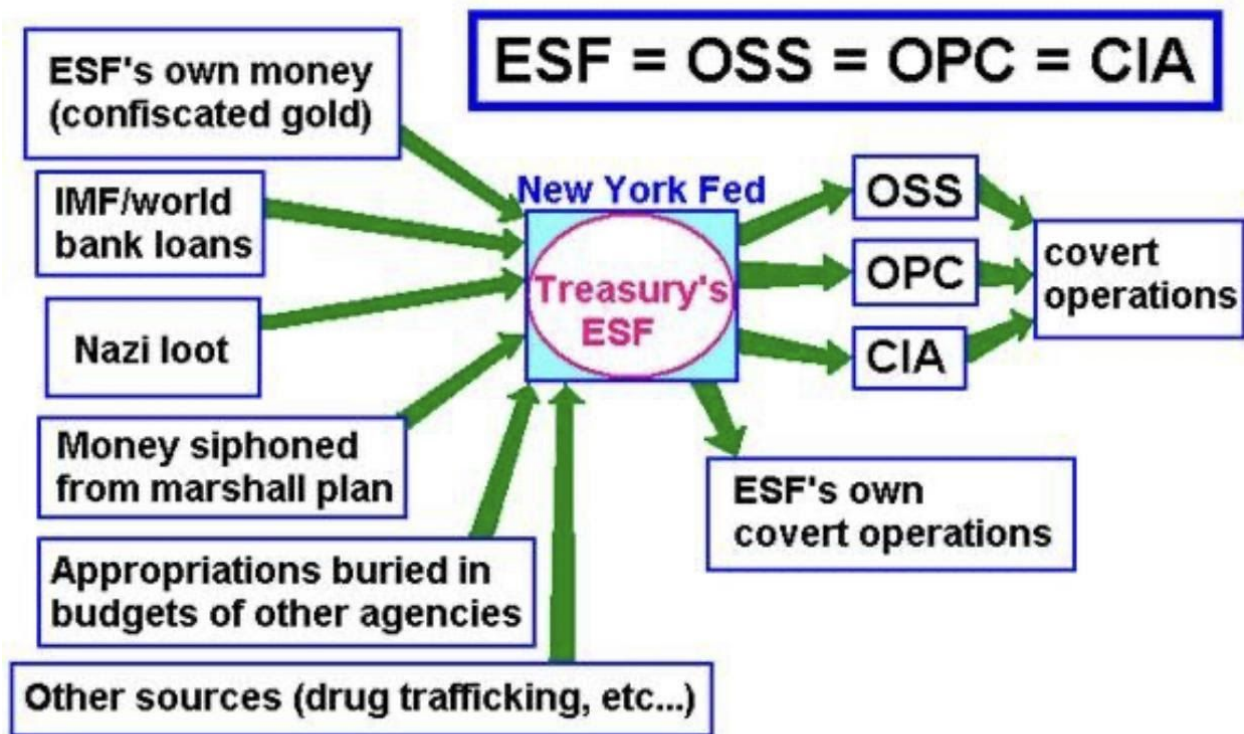

You're probably asking yourself, "how are we getting all of this money to give to the Citizens for Economic Relief due to COVID? If we are taking it from the FED aren't we more in debt?"

>If the US Dept of Treasury owns the FED then the Federal Government owns the debt. If DJT owns our debt do we really even have debt?

Even better, Donald Trump is using what is known as the ESF, or Exchange Stabilization Fund to fund our Economic Recovery. On paper it is controlled by the US Treasury but operated by the Federal Reserve as a means of stabilizing the value of the dollar. Since there isn't any gold to back it up, they can either inject or withdraw dollar amounts from this fund in order to maintain a certain value of that dollar. They also then adjust interest rates as well. This ESF, pulls money from the IRS (your tax dollars) to fund itself.

Officially in charge of defending the dollar, the ESF is the government agency which controls the New York Fed, runs the CIA's black budget, and is the architect of the world's monetary system (IMF, World Bank, etc).

The ESF runs the US's black budget

THE DS USES YOUR MONEY TO DO WHATEVER IT WANTS ANYWHERE IN THE WORLD WITHOUT CONGRESSIONAL OVERSIGHT AND WITH COMPLETE IMPUNITY

It is estimated that since its inception they have taken HUNDREDS of TRILLIONS of dollars from US tax dollar coffers. Read that again.

Interesting that we own the Fed and the ESF now, isn't it?
